NATIONAL COLLECTION FOR CHURCH IN AFRICA
WEEKEND OF JULY 29TH - 30TH

Africa faces the economic and social hurdles of enormous debt, epidemic, severe poverty, and political unrest. In spite of these challenges, the Church in Africa has almost tripled in size in the past 30 years. However, it is difficult for the church to sustain its growth and maintain essential pastoral outreach.

The Fund provides grants to finance pastoral projects including outreach programs, schools, evangelization, and education of clergy and lay ministers. Our solidarity is necessary to help the "salt of the Earth" Church in Africa realize its potential as a "light of the world."

Welcome to St. Mary's Legacy Clinic...

ST. MARY'S LEGACY CLINIC

The St. Mary's Legacy Clinic is seeking donations of ReliOn Glucometers and test strips that can be found at Walmart; also non-sterile, non-latex exam gloves (especially Medium size). We are also seeking donations of inhalers that are unopened, sealed, in original containers with at least 6 months from expiration. Please visit our website at www.StMaryClinic.org and follow us on Facebook to see updates and announcements from the mobile clinic. Thank you for your support.

DONATE TO OUR LOCAL CHILDREN

For our on-going partnership with the Niswonger Children's Hospital and during the month of July, we would like your help in donating backpacks, paper, crayons, scissors, erasers, rulers, pencils, etc. The staff at Niswonger would like for our parish and friends to also donate Character Band Aids for the young patients. All we do will help make a difference for the children whose illnesses keep them from attending regular school. Thank you for all your help and may God bless us all. For more questions, please contact Leila at 773-6458
