We are looking forward to our third year selling items at the Tree Street Sale on September 9th, and have joined efforts this year with St. Mary's School. If you have items you would like to donate, we will have drop off dates on August 5th and 26th from 9-11:30am in the church basement. If you have large items, like sofas, tables, or bookcases and do not have a way to transport them, we would be happy to arrange a time to pick them up from you. The only items we do not take are bulky televisions, computer monitors and keyboards, chemicals, bed pillows, mattresses and electric organs. All items should be in working order for our customers.

If you have large items you need picked up, please email me at this address. Thank you in advance for your generosity. Please let me know if you have any questions.
