ANGEL TREE

It's that time of the year again!

It's angel tree time in

our community. Each year I am privileged to assist with this program and must say how humbling it is for me. I am asking each of you to please consider sponsoring our angels. The tree will be in the gathering area after all masses in November then you will return the items in a black garbage bag with the angel tag attached to it. Then set the black bag in the gathering area near the office wall. Any questions?

Please call Brenda Dunn 741-8715 or Suzi Burrows 7737-5522. Thank you very much for sharing with our little angels in our community.
