Our parish Liturgy Planning Committee needs your help please!

Part of our liturgical planning is providing an environment that is prayerful and that will invite the community to raise their hearts and minds to God in full, conscious, and active participation. The goal is to care for all the elements of worship, ensuring that the environment is appropriate, authentic, beautiful, and accessible.

Our Arts and Environment Committee decorates the church to reflect both the liturgical season and the scriptural readings for the season. The kind of person interested in this ministry tends to enjoy learning more about the liturgical seasons and enjoys art, crafts, decorating, arranging, watering, and caring for flowers. There are many levels of commitment in this committee. We need planners, but we also need 'do-ers'. Many volunteers in this committee makes for light work!

You may not be able to plan the decorations but you can help place them, arrange some flowers, help hang banners, decorate tables, and climb ladders (when needed).

If you are interested in helping with this committee, you will be greatly appreciated! We really need your help! Please contact Dolores Fredericks (dfmusic@yahoo.com / 283-0103).

We thank Fr. Jesus and his committee for preparing all the beautiful liturgical environment during Lent and Easter.
